

Are you a **VISIONARY VET?**

For immediate release

The house of **NATURAL REMEDIES**, announces the '**Visionary Vet 2008**', an award for dynamic veterinarians from across the country.

The Award has been set up with the intention to recognize a vision which sets a new goal to match the tremendous change that profession is undergoing. It is meant to encourage and honour veterinarian who possess a distinguished vision which upholds a valued and needed 'change' in existing procedure, policy, principle or practice of veterinary science.

The Award is one of the several efforts undertaken by **Natural Remedies** to showcase the strengths and inspirations of vets across the country.

The first '**Visionary Vet Award**' will be presented at the Research and Development Centre of Natural Remedies Pvt. Ltd., Bangalore. A jury of eminent personalities will judge the entries and select the recipient for the '**Visionary Vet Award**'.

OBJECTIVES

- To encourage, support and honour a Veterinarian whose dedicated service to the profession leverages a revolutionary vision upholding a valued and needed change in existing procedure, policy, principle or practice of Veterinary Science.
- To nurture and sustain idealism, enthusiasm and constructive professionalism among Veterinarians.
